Academic Project and Thesis Overview:

Mtech Thesis Title: (Analysis in Throughput Delay of Wireless Ad-hoc Network Routing Protocols)

Comparative analysis in throughput, delay under different traffic load of wireless ad-hoc network routing protocols. In this research I have done the comparative study of the existing routing protocols throughput, delay under different traffic load with my experimented result. Here I have taken the routing protocols (AODV, DSR) with certain no. of nodes

20, 30, 40, 50, 60 and network topology size (500×400)m in NS2.34 (Network Simulator) to obtain the throughput. Then with the help of x-graph in NS2 to plot the graph of throughput under different traffic load.

Role and Responsibility	-: As a Researcher and Programmer
Programming Language	-: TCL (Tool Command Language, AWK Script)
Tools	-: NS2.34 (Network Simulator), Latex
Platform	-: Ubuntu 12.04 LTS

MCA Project Title: (Integrated Health Care System)

Description-: It's a project to overcome the manual existing health care system having some short of problem. But in the new system where the patient can select the hospital or doctor according to their convenience. The system provides such facilities which are given below.

- Monthly health check-ups at their door step by visiting doctor.
- A comprehensive master health check-ups for the patient as soon as they registered with the system.
- A quarterly health check covering all the basic issues like blood sugar, blood pressure, completes the blood profile, urinary-test, ecg, cholesterol.

Role	-: Programmer
OS	-: Windows 2000 (Server)
Programming Language	-: J2EE (Servlet, Jsp)
Database	-: Oracle 9i
Web Server	-: Apache Tomcat 5.0
IDE	-: Eclipse 3.1

PERSONAL INFORMATION

- **Father Name** -:Late Rajendra Kumar Sahoo
- **Date Of Birth** -:11th June 1980
- **Gender** -:Male
- **Nationality** -:Indian
- **Marital Status** -:Single
- **Mother Name** -:SantilataSahoo
- **Language known** -:English,Hindi,Odia
- **Passport Number**:-:F6134048

Declaration:I hereby declare that all the details furnished above are true to the best of my knowledge and belief.
